MISSION EXPERIENCES*

Summer Internship	\$5950-\$7,200
Immersion I or II	\$4,495-6,450

Note: The Institute for GOD requires international mission experiences as a part of its educational curriculum. There are three total trips taken at a student's discretion according to GOD International's trip offerings within the 4-6 years of a student's undergraduate experience. Trip cost varies based on type of trip, location, and market trends related to international airfare. Students have the option to pay a moderate "storage fee" of \$100 per month to keep their belongings in their dorm rooms while on mission. On International mission experiences, students are given tools and opportunities to fundraise to help cover the cost of their trips.

INDIVIDUAL CLASS

Cost per Class	\$500
----------------	-------

Note: Individual classes give students the opportunity to explore our college before committing to a program. If and when a student does commit to a program, they can pay a transfer fee of \$50 per unit to get college credit for the course. There is a limit of two individual classes before we ask students to commit to a particular degree path. Individual class students do not qualify for scholarships and are not charged fees.
